

What is Integrated Student Support?

Integrated student support is an approach for schools to provide student support by intentionally and systematically leveraging and coordinating the resources and relationships available in the school and in the surrounding community to address the comprehensive strengths and needs of each and every student in a school in order to help promote healthy child development and learning.

Selection: Understanding what you already have, building consensus and trust, and determining a budget.

Scenarios:

Stability: Designing for the long-term operational, political, and financial viability of a system of integrated student support.
