THE IMPACT OF CITY CONNECTS ON TEACHERS AND SCHOOLS

THE MARY E. WALSH CENTER FOR THRIVING CHILDREN

Integrated student support is an evidence-based approach for schools to provide student support by intentionally and systematically (intentionally) and systematically (intentionally) providing integrated student support to all students. This approach is designed to address the needs of all students, including those with behavioral challenges, and to create a supportive environment for all students.

In an annual survey of teachers who worked in City Connects schools, teachers reported that the City Connects model expanded their understand-

teachers reported that they were more patient with their students because they better understood the non-academic issues that con-

the behavior.³
