## **Our Name**

Our name and mission arose from the history of St. Ignatius. Following the injury St. Ignatius sustained in battle, he ventured on a pilgrimage to the Sanctuary of Our Lady of Montserrat in Spain. Laying down his arms, St. Ignatius spent the night confessing before the statue of Our Lady of Montserrat which had been darkened by years of soot from candlelight. It was after this night of confession at Montserrat that St. Ignatius set out to Manresa where he would develop his Spiritual Exercises and founded the Jesuit order.
