- 10:00 am - 11:00 am The group leader logs into the housing application and follows the steps to add (or remove) group members.
- 11:00 am - 12:00 pm If the group is full, the group leader will verify the group. Verified groups cannot be changed.
- 12:00 pm - 1:00 pm The group leader will have a 60-minute downtime between 12:00 pm and 1:00 pm.

- m – All Spaces are Selected: Group leaders log-in during their assigned pick time and select housing for their grade

BLOCKING

- Blocking allows several groups to select housing together at the same time.
- Groups may block with one, two, or three other groups (depending on the selection day).
- Groups must be the same size, applying for the same type of housing, and fall within the same eligibility category.
- Blocked groups have one group leader and register once for everyone.
- Blocking does not improve or hurt chances of selecting housing.
- Groups that block may be co-ed (but suites and rooms are still single-gender).
- Information about blocking can be found in the housing assignments section of the room selection website

TIPS AND TRICKS

- Pick a primary roommate for the selection process
- Register for a room type that meets your group size instead of editing your group size to meet a room type
- Use blocking when it helps you, not when it hurts you
- Instead of kicking people out of your group to select for a particular room type, you can:
 - Block with other groups
 - Or wait out of rns
- Consider finding roommates OR
- Use
