Heart care is a top priority for Harvard Pilgrim. We're committed to helping you stay healthy and active. That's why we've created the Walking Challenge, a fun and easy way to get moving. You can earn rewards for every step you take, and we'll help you track your progress. So go ahead and take that first step today. It could lead to a healthier, happier you.

Please note: While Harvard Pilgrim is hosting the Walking Challenge for all employees, this does not affect your medical health plan coverage. You are eligible to participate regardless of your health insurance carrier.
