Break into Tech - Hot Non-Tech Business Roles

A substantial portion of the Boston economy is the tech industry - why not look into a robust field, especially when there are many solid career tracks that have nothing to do with coding (if that's not your jam, but if it is - lots of opportunities there too!). For an explanatory breakdown of non-technical roles, take a look at this article, [12 Hot Non-Technical Roles in Tech.](#)

For those who do enjoy coding, take a look at [VentureFizz](#) and [BuiltIn](#) for opportunities around the US.

We are excited to announce the return of LaunchPad Institute: CareerX in Ireland

This is a [program](#) offered through BC's Office of Global Engagement for students to spend 9 days in Ireland learning about business and preparing for the internship recruiting process.

LaunchPad Institute (LPI) is an organization dedicated to helping high-potential students accelerate successfully into the first years of their professional careers. In addition to the Ireland Trek, the CareerX ~~in Ireland~~ is a 6-week strategic project that is designed to mimic an internship and is open to all BC students. While open to everyone, the program is specifically targeted toward first and second year students.

We encourage you to hear what last year's participants have to say about [LPI in this short video.](#)

You can [APPLY NOW](#) to the program; space is limited, so the sooner you apply, the better.
