intimacy, community and spirituality? Can you do as well as or better than the protagonists of *Secaucus 7*? The conflicts and contradictions in your environment may be less intense than those between Dellarobia's religious community and Ovid's scientific one, but there will be contradictory imperatives in your environments. What are they? How do your choices, going forward, represent an attempt to balance between public and private concerns? Where/how has BC helped you to think about the future.
