

Form E-1-A for Boston College Core Curriculum 2018

Department/Program PSYCHOLOGY SOCIAL SCIENCE CORE

1) Have formal learning outcomes for the dep o h rfi

Learning Outcome 4a: Students will be able to demonstrate an appreciation of the ethical issues involved in human or animal research.

Learning Outcome 4b: Students will be able to understand better themselves and others.

2) Where are these learning outcomes published? Be specific. (Where are the department's expected learning outcomes for its Core courses accessible: on the web, in the catalog, or in your department handouts?)

The goals and outcomes are published on the department website and in appropriate handouts distributed by the department.

3) Other than GPA, what data/evidence is used to determine whether students have achieved the stated outcomes for the Core requirement? (What evidence and analytical approaches do you use to assess which of the student learning outcomes have been achieved more or less well?)

a. An anonymous survey of students who take psychology core courses.

student papers that students indicated that students felt very positive about the core courses and that the courses we
