3.0 Introduction

This section of the Employee Resources and Supports System Toolkit helps your organization to address possible variations in the equity of your Employee Resources and Supports System.

Figure 8: Step 3 of the Employee Resources and Supports System Toolkit

3.1 Roles and Responsibilities

In consultation with the members of the Equity Initiative Committee, the leader(s) of the Equity Initiative will decide who could be invited to conversations about employees' experiences with the Employee Resources and Supports System and how those experiences might vary by employees' affiliations with demographic and social identity groups.

Option 1: You could use the questions in Worksheet #6 below to guide a discussion with the members of your Equity Initiative Committee.

Option 2: The Equity Initiative Committee could convene discussion groups (for example, brown bag lunches, focus groups, etc.) with employees who are affiliated with specific demographic and social identity groups.

3.2 Step 3 Task

The responses to the Audit questions about your organization's Employee Resources and Supports System provide you with some insight about the equity of orientation and onboarding for employees, overall.

But is this enough for you to understand the equity experiences of your employees?

Your organization might want to consider whether its Employee Resources and Supports System is “equally fair” to people with different social and demographic identities, including people affiliated with different:

- races/ethnicities,
- gender identities,
- sexual orientations,
- ages,
- religious affiliations,
- national backgrounds,
- abilities/disabilities, and
- job classifications (for example, part-time vs. full-time, exempt vs. non-exempt, contractors vs. employees).

Worksheet #6 (following pages) focuses on the seven Levers for Change in your organization's Employee Resources and Supports System.

1. Policies
2. Practices
3. Planning, Data Collection, and Evaluation
4. Roles and Accountabilities
5. Culture
6. Climate
7. Communications

(Please see the Overview Booklet of the Employee Resources and Supports System Toolkit for the discussion of the Levers for Change.)

Task 1: Consider Variations in Employees' Equity Experiences

Directions:

Worksheet #6 (following pages) asks people in your organization to think about the extent to which the Levers for Change in your Employee Resources and Supports System seem to result in either privileges or disadvantages for people in different groups.

For each of the following questions, think about the different demographic and social identity groups in your workforce. Insert comments if your committee members/other employee groups think that there could be variation that results in a lack of equity.
