ORGANIZATION: Boston College

SECTION I: GENERAL

The organization is a non-profit organization established in 1863. Its primary purpose is to provide a liberal arts education for young men and women. The organization is organized as a corporation under the laws of the State of Massachusetts. Its principal office is located in Boston, Massachusetts. The organization has a long and distinguished history of providing a high quality education to its students. It is a member of the Association of American Universities and the Association of Colleges and Universities. The organization's financial statements are audited annually by an independent accounting firm. The organization's assets are held in trust for the benefit of its students and faculty. The organization's income is derived primarily from tuition and fees, and is used to support its educational programs. The organization's expenses are primarily for salaries and benefits, and for the maintenance and operation of its facilities. The organization's net assets are approximately \$100 million. The organization's net assets are held in trust for the benefit of its students and faculty. The organization's net assets are used to support its educational programs. The organization's net assets are approximately \$100 million.
