II. Summary:

The meeting was called to order at 6:40 p.m. by T

Tom Keady announced that the Institutional Master Plan (IMP) Amendment for Bishop Peterson Hall and the Seminary Library was filed with the Boston Re

Resident Nick Foundas said the amendment was worthy of the community's support because, in his opinion, a proposal for a Theological School is the most passive use that BC can propose and therefore merits their support. Another resident, Sandy Furman, agreed that BC's proposal in the amendment is low-impact, yet he asked BC to keep in mind the concerns of the nearby Jewish Orthodox and minimize the impact on Portina Road. Gerald said that written comments should be sent to John Fitzgerald by November 14th to help the BRA with the scoping determination.

During the last half of the meeting, Bill Mills, Director of Community Affairs and Paul Chebator, Interim Dean of Students, gave a student behavior presentation that included a discussion on walking patrol incidents and repeat offenders.

Lastly, there was a discussion of the Allston-Brighton Scholarship Program which provides academically talented students from Allston/Brighton the financial support to attend Boston College.

The meeting ended at 8:30 p.m.
